Our mission is to create a balanced and creative environment to nurture the mind, body and soul of every student so they are able to reach their fullest potential, not only as dancers but as human beings.

OWNER/ARTISTIC DIRECTOR:

Jamie Davis was born and raised in Columbia South Carolina and began her dance training at the age of 4. She grew up competing at one of the top studios in the nation, The Southern Strutt. In her years both dancing and teaching she has had the opportunity to dance alongside and work with well known choreographers such as Dee Caspary, Justin Giles, Ray Leeper, Caroline Lewis Jones and Mandy Moore. Jamie was awarded several Top Teacher and Choreography Awards in the competitive circuit of dance while teaching at Southern Strutt and other Florida studios. Jamie has spent hours working closely with children in the class room and fully understands what is necessary to make a well rounded dancer. She choreographed and composed nationally competitive level dances, as well as prepared students ages 5 - 18 for regional competitions and most importantly, motivated and led teen development. Jamie has changed children's lives and impacted them in an extremely positive way through her innovative approach to dance.

Year in Review

Wow...Where did the time go? It was wonderful getting to meet and welcome so many new faces to our Soul Studios family this season. I have truly enjoyed watching all of our Souls grow not only in stature, but as dancers and young adults as well. Soul Studios loves being a positive part of your dancers lives, and what a wonderful year it has been! I hope you enjoy and reflect on all of the memories we made together as you read the "Year in Review."

In **June** we ended our company season with our 3rd annual awards banquet held here at Soul Studios after our showcase. Food was catered by Norma Jean Restaurant. All company dancers were honored with special awards and we enjoyed an evening of fun with our company dance family. We held our 7th annual Soul Studios Showcase at Braden River High School auditorium, and what a beautiful display of talent it was! We began our new season by holding auditions for our 2018-2019 Soul Company! Lots of new faces from young souls to teens joined both our dance studio and Company this season. We kicked off summer training with our third season of Junior/Intermediate Dance Intensives, and it was another huge success. We continued the summer with 7 weeks of summer drop in and recreational classes. So many new faces and so much growth.

In **July** we held our second company audition and had more new wonderful souls join our competitive family. We also welcomed Danielle Dominguez as a guest teacher to our dance program. She help many of our dancers grow both creatively, artistically, and technically.

In **August** students traveled to South Carolina to attend The Southern Strutt Bootcamp. Dancers that were able to attend got to spend the week training with well-known teachers from SYTYCD, Los Angeles and New York! Also in **August** before our first week of classes we hosted our annual **Open House!** We welcomed so many new faces to our recreational classes from our "Itty Bitty Baby Souls" to our Tween and Teen Combo Classes.

September! Ms Carly Gallup returned to work with our competition team on workshop classes and group/solo choreography. She helped kick off our 2018 choreography sessions.

In **October** Soul Studios held our **Bring A Friend To Dance Week** of the season! It was a fun week with new friends and faces visiting our Soul family! Also this month we held our 4th annual Halloween Celebration, this year titled, **Haunted Mansion!** It was a huge success and a fun evening of costumes, games, food, dancing, and prizes for all the kiddies! We had an amazing haunted house this year, spooks and fun for all.

In **November** we attended our first two optional convention/competitions **Velocity** and **Radix**. Dancers were awarded scholarships and overalls at both events.

In **December Carly Gallup** made her return as well as the lovely and talented **Brodie Masse** from Canada/Intrigue Dance Convention. These choreographers finalized pieces for our competition team to help us take on the season. Soul Studios hosted a **New York Series** with Caitlin Curran and Ariana Olivo as they held master classes for all dancers at Soul! Soul Studios held their annual **Company Holiday Potluck!** Dancers and parents had an amazing time eating delicious food and participating in our annual gift exchange. It was a lovely celebration with our dance family.

In **January** Soul Alumni Becca Broh and Taliah Stanley visited Soul to host master classes. In addition one of our own graduating seniors, Sydney Hill, hosted her own first dance class. Also dancers attended **NUVO** and **Groove** this month and dancers who attend all received scholarships and top awards.

In **February**, the SS Company attended the **Intrigue Dance Convention** in Orlando, competing our solos, duet/trios and all groups! It was our first big event of the season. Our competitive team did a phenomenal job earing top awards and scholarships. One of our

own, **Ava Chyorny**, received the “**Apprentice Scholarship**” from Intrigue, it is one of the top scholarships to be awarded to the 12 and under age division. Before our second competition of the season we held our company photo shoot with Soul Alumni, Christine Wozz Photography, at the beautiful Ca’D’Zan. Photos are stunning as usual, and we are so happy to visit the Ca’D’Zan again. This month our company also attended **Legacy Dance Competition** in Lakeland FL, where yet again dancers were awarded top scores and many scholarships. Graduating senior **Sydney Hill** received Sr Legacy Title Award Winner. Soul Studios also was awarded one of the best awards one could receive, the **SPORTSMANSHIP AWARD!** This means Soul Studios was awarded for their support, participation, and camaraderie at this competition.

In **March** we traveled to **StarQuest** in Lakeland FL with our dance company. Again all of our company dancers competed all groups, solos, and duet/trios. Some of our top awards include: **Photogenic:** Alayna Oakes, **Miss Petite StarQuest:** Angelina Kinney, who also received the “**Spreading Kindness**” Award. The lovely **Carly Gallup** returned in March to rehearse our dances for Radix, teach master classes, and begin choreography for our new season!

Our competitive season continued in **April** as we attended our last convention/competition of the year, **Radix**. Our dancers showed their strength as “**December**” was awarded “**Best Of Radix**” and the **Studio Stand Out Award** went to “**Winter**”. “**Winter**” was chosen to perform in the closing showcase. Both beautiful pieces were choreographed by the talented, **Carly Gallup!** In April we also held our recreational and ballet pictures with the lovely **Michele Sutherland from Dramatic Reflections!** Dancers also attended one of our final optional events, **Showstoppers**. Dancers again were awarded top scores. In addition our very own “**Pre Team**” trio competed and won a category placement! We are so proud!

In **May** some of our Soul dancer participated in the **JDF** walk in honor of our own **Hannah Cleveland!**

She coined her tribe as “**Hanna’s Heart and Soul!**” Soul Studios Company attended their last optional convention/competition of the season, at **24Seven Dance Convention**

I want to take time to acknowledge our growth not only in the number of students but the growth of the students themselves! We have welcomed so many new faces into our Soul family. These students have worked so hard this season and have simply added new life and energy to our studio! I could not be more proud and honored to have you all as part of our family. As our recreational program grows, I look forward to continuing to watch your childrens’ growth as dancers, artists and individuals. We have talent bubbling over in every class throughout the week here at Soul and it is truly amazing to witness the strides all of our students have made in only one season.

Our season culminates with our **8th annual showcase at Braden River High School!** A huge thank you goes out to all of the families, dancers and staff members who helped throughout the season. We could not have done it without you all! Thank you for being a part of our Soul Family!

Thank you for joining us today and we hope you enjoy the show!

With Thanks!

With Thanks...

As always there are countless people to thank for contributing to another successful season at Soul Studios...

My amazing staff...Kim Wozniak, Richie Lucibello, Jenine Brodeur, Paulette Dentice and Elexis Ousley, I literally could not do this without your help and guidance.

Our brilliant costume goddess Laurie Doyle for her hours of pinning, creating, and manufacturing such beautiful costumes for all our company and recreational dancers.

Big thanks to Dawn Imperatore for your help with our costume department as well.

To all the mommies who spent hours at the studio, competitions, and at home counting stones, and rhinestoning costumes. Also helping to tie up loose ends and finishing touches.

Thank you to the Kinney family for your willingness to help around the studio whenever we need you. From all the handyman work to decorating and creating our photo boards. Thank you to Scott "Frank" Lukas for helping transport our props and single handedly holding down/creating our Haunted Mansion.

Thank you to all of our amazing teacher's assistants for your help making sure class are always running smooth and filling in when you are needed.

Thank you again to Michele Sutherland and Christine Wozniak for producing such amazing photos year after year.

A HUGE thank you to Carol Magee for running our website putting together all our marketing materials, and most of all taking the time to make such a beautiful program. You are truly amazing at what you do.

To all the Soul Studios Dance families, thank you just isn't enough! I feel very blessed knowing that you have chosen Soul Studios for your child's dance education. I promise to continue to make this the best studio where dance education is top priority and top notch! Thank you all for your support, love and trust you have for the Soul Studios staff and I.

To all of my **Soul Students**...you are my heart and **SOUL!** You all inspire me day after day with your talent and individual beauty! Each one of you is so talented in many ways, and we are honored to work with you each week. We are so proud to watch you shine on stage! Also... We cannot forget how lucky we are to have our **alumni** and returning students that have come to help teach throughout the season or are here to help with the showcase; thank you so much for giving us your time! I am so blessed to have such kind and giving students; it gives me great pleasure to watch you all grow into such beautiful young adults.

'We are travelers on a cosmic journey – stardust, swirling and dancing in the eddies and whirlpools of infinity. Life is eternal. But the expressions of life are ephemeral, momentary, and transient. We have stopped for a moment to encounter each other, to meet, to love, to share. This is a precious moment, but it is transient. It is a little parenthesis in eternity. If we share with caring, lightheartedness and love, we will create abundance and joy for each other. And then this moment will have been worthwhile.'

~ Deepak Chopra

Congratulations to Jamie Davis, the beautiful graduating Seniors, and all of the Soul Studio Dancers for a fulfilling and successful year of dance.

We are excited to express our appreciation and gratitude to our daughter Jamie for her determined focus, empowered vision and unwavering commitment to Soul Studio's Dance Center.

We are PROUD of you Jamie. You are fully recognized, acknowledged, honored and congratulated for this 8th year celebration of Soul. Well done! May the Infinity of Souls you have nurtured, mentored, and masterfully inspired to dance over these years, ripple their love, lightheartedness, creativity and art out into the world.

You are a precious gift to your souls.... and to us as well.
Your Mom, Dad, Caleb, Larry, and Michael

Young ballet students still hope to live out what Isadora Duncan, the American dancer, the and writer, said in "My Life" in 1927: "I have discovered the dance. I lost for two thousand years." These students carefully watch their instructor Peter Kozak as they learn a new position. From left, the girls are Jamie Davis, Andrea Tilton.

Schae Mays

Schae,

After 16 years of watching you take the stage, you still take our breath away and make us extremely proud. Every time you walk into the spotlight it shines on your grace and beauty. As your parents, you will always be the best dancer in the entire world in our eyes. But dance has done more than make us proud... it has been your "teacher" in life that any classroom could not have provided. Dance has made you who you are and we want to thank each person who was apart of the journey.

Dance has taught you DISCIPLINE. It has trained you for hundreds of hours in respect, courtesy, timeliness, rules, boundaries, flexibility, and even consequences. It has taught you GRACE and BEAUTY. You have learned to carry yourself with poise, in a manner no cotillion class could ever do. It was the original teacher to your passion and talent of make-up that any beauty blogger can honestly compete with. Dance taught you about REAL LIFE. That there will always be someone "better" than you but that didn't make you quit. That there will be a lot of "no's" when a simple "yes" would have not felt like failure. Most importantly, that with every failure a success usually follows. And of course, your coveted spot in the back row made you shine brighter than being placed front and center.

Dance taught you about FRIENDSHIPS. That people in your life may come and go. Those who remain true are your loyal squad and those who leave are your life lessons and each kind of "friend" are very important through the laughter and tears. Dance has provided you THE GREATEST MENTORS you will ever have in your life in your teachers, teammates, and of course, a second "Mom." Dance provided you the space to learn about people (detective skills and all). Dance also taught you things behind the scenes that only you know and will I remember for the rest of your life. There is no one thing that dance has taught you that is more important than another. Dance...will always be HOME.

We love you and will always be your number one fan. Here's to your final bow!
WE LOVE YOU, SCHAE SCHAE.

Dad & Mom

Schae

Your friendship has been one of my greatest gifts in life! You're constantly making everyone around you laugh. I am so proud of you and can't wait to see what the future holds. 12 years of friendship would never be enough.

I love you Schae Schae- Callie

Schae aka "The Mom"

It has been my privilege and honor to watch you grow from a little girl into a young woman. You have handled success with class and disappointment with such grace. Your fierce loyalty has never gone unnoticed. Your future is quite "Golden"

Schae,

When you were born, we were thrilled. We looked forward to the joys we'd have watching you grow. We never could have imagined we'd be as happy or as proud as we are today. Our hearts overflow with gratitude to God for his wonderful creation in you.
